

## **Employment**

**2007–2013**            **Freelance** Racine, WI  
Web development and graphic design.

**2006–2007**            **Waino's Home Improvement** Racine, WI  
Carpenter. Gained a good overall understanding of home construction, inside and out. Also, had the opportunity to build some different pieces of furniture.

**2004–2006**            **United States Postal Service** San Clemente, CA  
Letter Carrier PTF  
Sorting mail in the morning and delivering mail, as fast as I could, the rest of the day. A truly crazy job, but it was in paradise.

**2003–2004**            **Freelance** Racine, WI  
Web development, graphic design and hardware repair.

**2001–2003**            **Renquist Associates, Inc.** Racine, WI  
Web Master/LAN Administrator  
**Web Responsibilities:** Lead programmer/producer for several client websites (including our own self-promotion site), created Flash animations and database integration.  
**IT Responsibilities:** Supported all users, implemented new backup script for server, installed LAN, selected, purchased equipment.

**2000–2001**            **Freelance** Racine, WI  
Web development  
RedRiverFurniture.com paid the bills for a few months in between jobs.

**1998-2000**            **Putzmeister America** Sturtevant, WI  
Documentation Coordinator  
Assembled print and electronic documents from libraries and databases. Had the opportunity to interface with everyone from the vice presidents to the engineers and even most of the guys out on the work floor.

**1997-1998**                    **The Racine Journal Times** Racine, WI  
Graphic Designer/ HTML, CGI and JavaScript hand coder  
Managed, updated and designed web pages. Converted and posted the daily classifieds. I was taught the fundamentals and encouraged to learn on my own.

**1997-1998**                    **UW - Parkside** Kenosha, WI  
Computer Lab Proctor  
Advised students in Intro. To Computers 105, Multimedia and Design 120, as well as Web Page Design 290.

**1996**                            **Wisconsin Industrial Testing** Milwaukee, WI  
Technician Assistant  
Non-destructive testing, which included, dye penetrate, mag particle and x-ray. Mostly processing x-ray film in the field, all over the country.

**1995-1996**                    **National Technologies** Oak Creek, WI  
Lathe Operator  
Operated and set-up on multiple turret lathes, as well as operation of a few CNC lathes.

## **Education**

**1993 - 1997**                    **UW - Parkside** Kenosha, WI  
Pre-med/Computer Science

**1995**                            **MATC** Milwaukee, WI  
Blue Print reading

**2007**                            **MATC** Milwaukee, WI  
Stick welding
